

VISIUM® WALL FINISHES

Dry Erase + Magnetic + Projectable [VIS-8013]

PRODUCT DESCRIPTION

VISIUM® Dry Erase + Magnetic + Projectable [VIS-8013] film was developed with a premium matte finish which allows for both dry erase markers and projection to be used on the surface of the film. Additionally there is a ferrous layer which offers magnetic capabilities. The dry erase surface is remarkably easy to clean and even allows for the removal of permanent marker with the use of rubbing alcohol.

Specifications

Product Code	VIS-8012
Product Family	Specialty
Film Type	Polyester/Polypropylene
Adhesive Type	Pressure-sensitive
Usage	Interior
Available Width(s)	47" & 59"
Length	32 linear feet
Film Thickness	23mil

PRODUCT CONSTRUCTION

Face Film

23mil Polypropylene

Adhesive

Pressure-Sensitive Acrylic

Release Liner

Silicone Coated PVC

PRODUCT DETAILS

Manufacturer Detail

VISIUM® Dry Erase + Magnetic + Projectable [VIS-8013] is perfect for applications on nearly any smooth surface in addition to drywall painted with a semi-gloss or gloss finish. This film has a total nominal thickness of 23mil (584 micron). The film is manufactured using a matte finish with a magnetic receptive ferrous layer. This film offers not only quality writing and erasing capabilities but is also magnetic and projection receptive. Installation of the film should be in accordance with our Wall Film Installation Guide.

Fire Rating

The product complies with ASTM E84 and is classified as Class A, as defined in NFPA 101, Life Safety Code®.

WARRANTY

VISIUM® products will be free from defects in material & manufacture for a period of five(5) years from the date of installation. See warranty information for specific details.
